II. THAT Persons, who recommend Patients from distant Places, be desired to send their Cases drawn up by some Physician, Surgeon, Apothecary, or other skilful Person; to which an answer shall be returned, whether and when they shall be admitted; but that the BOARD shall be at Liberty to reject such Patients, if their Cases appear to have been misrepresented.

III. THAT when there shall be want of Room in the Hospital for the Admission of all duly recommended and qualified to be In-Patients; those shall be first received whose Cases will admit of least Delay; in Cases of equal Exigency, the Preference shall be given; **FIRST**, to those who live at the greatest Distance; **SECONDLY**, to those recommended by such Subscribers and Benefactors as have not recommended any In-patients within the Year; and, **THIRDLY**, to those recommended by the largest Contributors.

IV. THAT Patients duly recommended and qualified, who cannot be admitted for want of Room in the Hospital, be entered in the Books as In-patients, and received into the House, preferable to any others in equal Necessity, upon the first Vacancies, and in the mean time be treated as Out-patients.

V. THAT no In-patient shall be admitted till Fifteen Shillings be deposited in the Hands of the Treasurer, or his Deputies, to defray the Expences of Burial, in Case of Death, which shall be repaid, in Case of Discharge, deducting the Expences of Removal.

VI. THAT Patients be admitted and discharged every Monday, by the Weekly Board, between the Hours of Eleven and One; and that Candidates for Admission do attend before the Hour of Eleven.

VII. THAT a Benefactor of 20l. at one Time, be a Governor for Life, and an Annual Subscriber of Two Guineas, be a Governor during Payment.

VIII. THAT (for the Encouragement of remote Subscribers, as well as for the greater Benefit of the Poor) the Governors will allow to all Out-patients, who shall come from the Distance of Seven Miles, or upwards, and have not been discharged for Misbehaviour, One Shilling per Week, towards defraying their Expences while at LINCOLN, (where no Out-patient can probably be lodged, washed, and dieted under Three Shillings, or Three Shillings and Sixpence per Week) provided the Officer of their respective Parishes shall allow them Two-Shillings and Sixpence per Week, or such further Sum as shall be found necessary for the Patient's support, during the time of their abode at LINCOLN, as Out-patients.

IX. THAT an Annual Subscriber of One Guinea, shall have a Right to recommend in the Year, One In-patient, and Two Out-patients; a Subscriber of Two Guineas, Two In-patients, and Four Out-patients; and so in Proportion.

That a Benefactor of 10l. at one Time, shall have an equal Right with a Subscriber of One Guinea; a Benefactor of 20l. with a Subscriber of Two Guineas, and so in Proportion.

X. THAT the Head, or other Officer for the Time being, of any Township, Body Corporate, or Society, subscribing to the Hospital, shall have the same Right of recommending Patients with a Subscriber of equal Value.

*** XI.** THAT no Subscriber's Recommendation be accepted while his Subscription is in Arrear more than Three Months.

XII. THE Contributors are requested to pay their Subscriptions, at the beginning of their respective Years, to Messrs. CROFTS, DEVAYNES, and Co. Bankers, in Pall-Mall, London: CHARLES WHITE, Esq; Treasurer, and Mr. FOSTER, Secretary, in Lincoln: or to the COMMITTEE, that sits every Monday Morning at the Hospital, from Eleven to One. It is also requested of the Contributors to this Charity, that they give Orders that the Patients whom they recommend be sent CLEAN, as the contrary has often been a great Nuisance to the House.

Mr. FOSTER, the Secretary, will attend all Visitations, take in Subscriptions, and receive Money for the Convenience of those who live at a Distance.

* It is highly to be wished that Subscribers would particularly attend to this Rule, as their not doing it, frequently puts the Weekly Meeting to the disagreeable Alternative, either of acting contrary to Rule, or running the Hazard of offending a Contributor.

An ADDRESS to the CLERGY.

The GOVERNORS of this Infirmary, wishing to extend its Salutariness to the indigent Poor of this large County, intreat the Favor of the Clergy to follow the laudable Example of their Brethren in all those Counties where Hospitals are already established, by preaching an annual Sermon in their respective Parish Churches, for the Encouragement of an Institution that has been of singular Service to many afflicted and distressed Persons, and would be much more so, if their Fund was by this easy Method enlarged; and they cannot doubt that the Gentlemen, whose Province it is to promote all Acts of Humanity, will concur to favor this, to the utmost of their Power.
